

# QUALITY & EHS POLICY

At Rapiscan, we are committed to providing safe and reliable state-of-the-art products, solutions, and services through:

**C** **CONTINUOUS EVALUATION & IMPROVEMENT** of our Quality and EHS programs within our Business Management System.

**O** **OBSERVING & COMPLYING WITH APPLICABLE REGULATIONS** for products, workplace safety, and environmental standards.

**M** **MEETING CUSTOMER REQUIREMENTS** while striving to exceed customer expectations.

**M** **MAINTAINING PRODUCT CONFORMITY, OPERATIONAL EFFECTIVENESS, & EFFICIENCY** through design, manufacturing, installation, and services.

**I** **IMPLEMENTING ACTIVITIES** to protect the environment by preventing pollution, reducing waste, and conserving natural resources through our operational practices and the design of our products.

**T** **THOROUGH, REGULAR REVIEWS** of our quality and environmental, health, and safety objectives to drive best-in-class performance.
