BASIC
THREAT RECOGNITION (CABIN)
eLEARNING

The Rapiscan Learning Academy develops and delivers global, fully comprehensive, high-quality training programs that help create and sustain a competent, professional and well-educated workforce, enhancing service excellence and customer satisfaction.

Our flexibly blended learning, has been developed to ensure that the Rapiscan Learning Academy is your partner of choice for current and future security training.

COURSE OVERVIEW

This eLearning course is designed to provide students with the ability to perform Basic Threat Recognition and Image Analysis, whilst increasing the competency of skills required for threat detection at Operator level for CABIN screening and detection equipment.

TARGETED BLENDED TRAINING

We use only the most engaging and rewarding methods for delivering courses such as videos, interactive learning, gamification, knowledge banks and formal assessment. This provides users with realistic and accurate experiences, by incorporating security screening simulation and interactive knowledge testing in mobile user friendly formats. We ensure our customers and employees are prepared with the knowledge they need to keep themselves and others safe and secure at all times.

Students will have access to a personalized **Learning Hub** for 12 months, full of additional learning content to support effective operation of Rapiscan equipment.

COURSE AIM:

This course provides students with the basic skills to perform Basic Threat Recognition and Image Analysis.

COURSE OBJECTIVES:

By the end of this eLearning course students will be able to:

- Provide an overview of Security screening equipment available
- Describe the most efficient method of screening for the applicable operation
- Explain the basic theory behind the technology available
- Demonstrate methods of threat detection using Security screening equipment
- Exhibit a sample range of threat items through practical scenarios
- Provide updates to relevant industry regulations, local procedures or best practice

KEY POINTS

COURSE TITLE:
Basic Threat Recognition (Cabin)

COURSE CODE:
TRTE001

METHOD:
eLearning [Digital Learning]

DURATION:
2-3 Hours

LOCATION:
Digital / Remote

MARKET:
Global - Cabin Security

MAX STUDENTS:
N/A

RECURRENCE:
Initial - Refresher every 12 months

CERTIFICATION & REFRESHER

This course certifies screeners and operators in Basic Threat Recognition of for 12 months from the date of completion. Refresher training is available for this course via Digital Learning.
